

GRAND RIVER TECHNICAL SCHOOL

COVID-19 INFORMATION

With guidance from the Livingston County Health Department, the Chillicothe R-II School District, including GRTS, is canceling **all** classes, extra-curricular events, practices, and use of any school property for social gatherings beginning tomorrow, **March 17th**. This cancellation will be for a minimum of 3 weeks, with an anticipated return date of **Monday, April 6th**. This action is being taken to limit the spread of the COVID-19 Coronavirus. Students will be provided with Alternative Methods of Instruction for this time period. Teachers have shared with students their expectations and provided them with learning resources and contact information.

GRTS is grateful to those who have volunteered to provide meals for students in our community during this extended absence. Look for details on the Chillicothe R-II School District web page, email, or local media for additional details about meal deliveries.

Thank You for your patience during this unprecedented time!
