

Barnwarming 2005

The 2005 Barnwarming was held at the Livingston County Fair Grounds on October 22, 2005. Barnwarming is our chapter's fundraising activity. It is a chance for everyone in the chapter to get out and get involved in the community to raise money for FFA chapter. This is a good chance for FFA members to get together, work together, and have a good time!

The 2005 Barnwarming was another outstanding year. This year we raised a grand total of \$18,560.74. The winner this year was the class of 2008 with a total of \$6,248.34, and an average of \$138.85. In second place was the class of 2007 with a total of \$4319.16, and an average of \$127.03. In third place was the class of 2006 with a total of \$4580.75, and average of \$95.43 a person. Finally we had the class of 2009 with a total of \$3412.49, and an average of \$59.86 a person.

Tyler Jones Named Missouri State FFA Proficiency Award Winner

Diversified Agriculture Production
Entrepreneurship
and

National Proficiency Award Winner
in Fiber/Oil Crop Production

Tyler Jones

This proficiency award recognizes the outstanding student achievement in agribusiness gained through establishment of a new business, working for an existing company or otherwise gaining hands-on career experience. The Diversified Agriculture Production Entrepreneurship Award is one of 50 proficiency program areas FFA members can participate in to develop valuable experience and leadership skills at the local, state and national levels. Jones became eligible for the state award after winning the Area II competition earlier this year. This application will compete at the 2006 National FFA Convention.

At the 2005 National FFA Convention Tyler was named the National Winner in the Fiber and Oil Crop Proficiency Award Area. Along with this honor he won a trip to Costa Rica to study Agriculture abroad. Congratulations to Tyler.

A fifth generation farmer, Tyler Jones started his entrepreneurship SAE with ten acres of soybeans, a cow/calf pair, and working on the family farm. Jones has grown his SAE to include sharecropping 450 acres, raising 26 head of Angus cattle, and working for CD Jones and DW Jones Farms. Jones is a member of the Chillicothe FFA Chapter and his advisors are Rusty Black, Keith Dietzschold, Jim Grozinger, Todd Jones, Leda Schreiner, and Matt Trussell. He is a 2005 graduate of Southwest Livingston County R-I High School. Jones currently attends University of Missouri - Columbia where he is majoring in Agriculture Systems Management and Agriculture Economics. He is the son of Charles and Sherry Jones.

Eleven Chillicothe FFA Chapter Members Receive Their State FFA Degree

On April 21, 2006 eleven members of the Chillicothe FFA received their State FFA Degree, in Columbia, MO. Before receiving this degree they had to meet a number of qualifications and fill out an application that followed their SAE and leadership skills.

The State FFA Degree is the highest degree that the Missouri FFA Association can give to its members. This degree is awarded to the top three percent of the total State FFA membership each year.

Those from our chapter who received the State FFA Degree include: Stephen Beck son of David and Suzi Beck, Gabrielle Gates daughter of Gil and Karen Gates, Letitia Nibarger daughter of Steve and Janet Nibarger, Craig Putnam son of Roger and Marica Putnam, Mary Beth Reid daughter of Jeff and Anita Reid, Keyona Renzelman daughter of Dwight and DeAnna Renzelman, Abby Sallee daughter of Darrell and Jan

Chillicothe FFA earns 3rd place in the Top Chapter Award

Chillicothe FFA placed third out of 302 chapters in the state, earning a Top Chapter Award at the 78th Missouri FFA Convention. Only 10 percent of state chapters receive the Top Chapter Award each year.

Chillicothe has many activities that promote student activities as well as student development. Students begin their first year by reciting the FFA Creed in class. In upper level classes students deliver prepared public speeches. Another important activity for the chapter is it's annual banquet. Last year, more than \$8,500 in scholarships and awards were presented and more than 400 people attended the banquet. The chapter also attended the American Royal Rodeo and concert in 2005.

Chapter development activities included an eighth grade recruitment assembly and a picnic for students who plan to enroll in agricultural education. The chapter members also raised more than \$15,000 by working odd jobs for area residents as part of their annual fundraiser. Chapter officers attended a two-day retreat to help them develop goals for the chapter, participated in leadership sessions and conducted team-building activities.

Chillicothe community development activities included development of demonstration wetland, pond, terraces, riparian strip, outdoor classroom and compost recycling center. The chapter also hosts more than 800 students on environmental or agriculture related field trips. In addition, members give Food for America presentations to more than 700 elementary students. In order to make the community aware of agriculture, the chapter also hosts judging clinics, petting zoos, and adopt-a-pig program.

The top chapters are submitted to the National FFA Organization where they compete for the National FFA Chapter Award. The competition will be held this fall at the National FFA Convention in Indianapolis, Indiana.

The Missouri FFA Association has more than 23,000 members. More than 7,000 FFA members and guests attended the annual state convention held April 20-21 in Columbia. FFA strives to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.
